

SMARTFLEX® SMT Comfort mit Armaturen

5-layer garden hose with innovative SMT fabric with claw coupling

Applications	irrigation
Structure	soft PVC, grey, opaque, SMT knitting
Temperature	-15°C up to 65°C
Properties	excellent flexibility, good tensile strength, crush-resistant, can be driven over, kink-resistant, anti-torsion, very high pressure resistance, good ozone- & UV-resistance, hydrolysis & microbe resistant, weather proof, rot proof, phthalate-free

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Max. Operating Pressure (bar)	Burst Pressure (bar)	Weight (kg/m)	Total Weight per Piece (kg)	Length (m)	Article Number
