

APDatec 925 natur

Single layer Polyamide tube of PA 11/12

Applications	pneumatics, vehicle construction, compressors, automation technology & robotics, compressed air
Structure	Polyether-Polyurethane, uncolored, translucent
Temperature	-35°C up to 80°C
Properties	good temperature resistance, very high pressure resistance, smooth inside, smooth outside

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Max. Operating Pressure (bar)	Weight (kg/m)	Total Weight per Piece (kg)	Length (m)	Article Number
