

SMARTFLEX® SMT Comfort - Yellow Edition

5-layer garden hose with innovative SMT fabric

Applications	irrigation
Structure	soft PVC, yellow, opaque, SMT knitting
Temperature	-15°C up to 65°C
Properties	excellent flexibility, good tensile strength crush-resistant can be driven over kink-resistant anti-torsion, very high pressure resistance, good ozone- & UV-resistance hydrolysis & microbe resistant weather proof rot proof, phthalate-free

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Max. Operating Pressure (bar)	Burst Pressure (bar)	Weight (kg/m)	Total Weight per Piece (kg)	Length (m)	Article Number
